Phase 5 – Scheduled to Begin September 4

Work in phase 5 is scheduled to begin Tuesday, September 4, and will last approximately 4 weeks. Phase 5 includes work along Double Eagle Lane and Eagle Valley Drive. Please refer to the phasing location map.

Country Club Curve - Road Access

Access to Country Club Curve will be maintained at all times. However, at certain times during the construction process there will be temporary access delays along Double Eagle Lane and Eagle Valley Drive as the contractor completes work along those roadways. Please be patient with these temporary access delays.

Irrigation Systems, Invisible Fence, & Landscaping

Phase 5 will include the removal and replacement of all the concrete curb and portions of the concrete sidewalk along Double Eagle Lane. This work will affect the common area within the Villages at Eagle Valley. The concrete curb and replacement process will require approximately 3-5 feet of excavation behind the curb. To protect your private features (irrigation lines and heads, underground dog fences, landscaping, etc.) from the construction, please temporarily remove them from the City owned Right of Way behind the curbs with white arrows marked for removal. Irrigation heads can be disconnected and the irrigation line can be capped off and pulled back.

At a minimum, any private features you have near curb marked for removal should be clearly marked with flags and paint to make the contractor aware of the facilities. No guarantee can be made regarding the contractor avoiding damage to these features and that this is at your own risk. ***Any damage to private features in the right of way will not be repaired, replaced, or altered by the city or the contractor.***

It is recommend the Homeowner Association President and maintenance company contact the city's field staff via the hotline number to schedule an on-site meeting to further discuss impacts to the Villages at Eagle Valley property with Phase 5 construction.

Stay Informed

If you have any questions or concerns, please contact the project hotline or project email. Weekly InTouch email blasts will be sent with project updates. You can sign up for InTouch updates by visiting the city's website at woodburymn.gov/InTouch and selecting the Road Rehabilitation 2018 list
