2021 Roadway Rehabilitation Project—Virtual Open House

The City will be holding a virtual open house for the 2021 Roadway Reconstruction Project that is planned for your neighborhood. Surveys were sent in April to all property owners in the affected area, and the City has looked into design options based on feedback from the survey.

The open house includes information regarding the proposed scope of the project, and includes a resident feedback section. Please visit the Open House and provide any comments by August 31, 2020. We thank you in advance for your valuable feedback.

Questions can be directed to Mike Hejna at michael.hejna@woodburymn.gov or 651-714-3593.
