April 16, 2021

Dear Property Owner:

A neighborhood meeting will be held Thursday, April 29, at 5:30 p.m. to provide information to residents regarding the 2021 Roadway Rehabilitation Project. There will be an in-person and virtual option for this meeting. To ensure current COVID-19 guidelines can be maintained, any resident planning to attend in-person should notify the Engineering Department at 651-714-3593. The meeting will take place in the Valley Creek Rooms at Central Park, 8595 Central Park Place. The link to the virtual meeting will be available on the project website at woodburymn.gov/RoadRehab2021. Residents will be able to watch the presentation live and ask questions during the presentation, and a recorded version will be posted to the project website after the meeting.

The purpose of this meeting is to provide residents specific information about construction operations, processes and proposed project phasing. There may be times when some residents will lose driveway access for up to a week due to construction in front of their driveway.  
Resident with concerns about losing driveway access during construction should contact Mike Hejna at 651-714-3593 prior to construction.

If you have difficulties accessing the video, please contact Mike Hejna, project manager, at 651-714-3593 or michael.hejna@woodburymn.gov. Any questions related to specific construction items should be directed to the project hotline at 612-430-2805, or woodbury2021@bolton-menk.com. Also, be sure to sign up for InTouch email notifications to stay informed on construction progress at woodburymn.gov/intouch.

Sincerely,

Mike Hejna  
Engineer I
