

**CITY OF WOODBURY
PETITION FOR NEIGHBORHOOD TRAFFIC CALMING**

LOCATION: _____

We, THE UNDERSIGNED, PETITION THE CITY OF WOODBURY to perform further studies to evaluate the installation of traffic calming devices at the location named above. We have read the City's Traffic Calming Policy on the City's website at: https://woodburymn.gov/departments/engineering/traffic_and_signals/signs_and_signals.php, and are knowledgeable of the outlined procedure and steps for reviewing traffic calming considerations. We understand the City will evaluate the study results and make the final decision on whether traffic calming features will be recommended for implementation.

If approved by the City Council, the project will be funded entirely through assessments to area properties, pursuant to Minnesota Statutes, Chapter 429. By signing this petition, you are indicating your support for traffic calming features and willingness to be assessed for their costs.
