

Building Safe Neighborhoods

Woodbury Public Safety encourages all residents to join us in building safe neighborhoods within our community. The department offers many ways for people to get involved or inform themselves.

Night to Unite

Neighbors who know each other are more likely to look after each other and take an active interest in their neighborhood. Get to know your neighbors by hosting a block party on Night to Unite, held annually on the first Tuesday of August. Learn more and invite Public Safety to visit your block party at woodburymn.gov/nighttounite.

Neighborhood Meetings

Our police officers are a great resource of common sense tactics and information to keep your neighborhood safe. Invite one of our officers to attend an annual neighborhood or association meeting. If you would like an officer to attend an upcoming meeting, send an email with the meeting details (date, time, neighborhood, meeting location) to police@woodburymn.gov.

See more on reverse side

Paw Patrol

Paw Patrol is a crime awareness program that encourages the hundreds of dog walkers in the

city to assist the Woodbury Public Safety Department as extra sets of eyes and ears in crime prevention efforts. You can register at woodburymn.gov/paw-patrol.

Home Security Survey

The Woodbury Public Safety Department offers a free home security survey for residents. Public Safety staff will come to your home and provide recommendations that may reduce the fear and incidence of crime. To learn more or schedule a survey, visit woodburymn.gov/securitysurvey.

CodeRED

The City of Woodbury uses CodeRED, a high-speed telephone calling system to notify local residents and businesses about emergency situations. The CodeRED system is used for emergency and other important public safety communications. For information or to register for alerts, visit woodburymn.gov/CodeRED.

**A smart community is
a safe community.**
