

# HealthEast Sports Center COVID-19 Guidelines

## General Guidelines

- Per EO 20-104 face coverings are to be worn by participants, coaches and spectators the ENTIRE time inside the facility, including on the playing surfaces (ice arenas and field house).
- Players/coaches can enter the facility 20 minutes (or less) before their scheduled ice or field time and leave immediately after their scheduled time.
- A coach or designated representative must be present when players arrive.
- Locker rooms are available for players and coaches to dress and put on their skates.
- Physical distancing is required at all times throughout the facility.
- Spectator capacity is capped at 200 for each facility (100 per team for games and scrimmages).
