

Paw Patrol

New program helps dog walkers monitor parks and trails

Paw Patrol is a crime awareness program that encourages dog walkers throughout the city to assist the Woodbury Public Safety Department as extra sets of eyes and ears in ongoing crime prevention efforts.

The program will train dog walkers how to effectively observe and report criminal activity as they routinely walk around their neighborhoods, parks and city trails.

Register online at woodburymn.gov/paw-patrol. Provide your name, dogs name, dogs license number and basic contact information. (All dogs must have current Woodbury dog license.)

CodeRED Emergency Mass Notification System.

What is CodeRed?

- CodeRED is a high speed telephone calling system designed to help notify local residents and businesses about emergency situations.
- The system allows the city to send critical communications to the entire city or to targeted areas within the city in a matter of minutes.

When will it be used?

This system will only be used for emergency and life safety purposes. Examples include:

- Missing Child alerts
 - Chemical or gas leaks
 - Fires or floods
 - Extended utility outages
 - Evacuation notices and routes
- (This does not include severe weather warnings)
- Other instances where rapid and accurate information is essential.

Your contact information remains private and will only be used for public safety related communications.

Residential Security Survey

The Woodbury Public Safety Department Provides a free home security survey for our residents. We will come to your home and provide recommendations on security improvements that may reduce the chance of you becoming the victim of a burglary. Residential surveys are conducted from May to November and you can request your Survey at www.woodburymn.gov/SecuritySurvey

Connect with Public Safety!

Woodbury Public Safety uses Twitter and Facebook. The social accounts are used as an information sharing tool, including updates, upcoming events and crime alerts. Occasionally, the department will seek the public's assistance in identifying suspects.
